

Parental Involvement Coordinator

Hello!! My name is Brenda Wheeler and I will be the Parent Involvement Coordinator for Dade County Schools. If you have any ideas and suggestions how we can improve communication between the schools and families or to learn how you can be involved in the education of your children, you can contact me or Mrs. Swader at Dade Elementary at (706) 657-8253 or (706) 657-6165 or you can contact me or Mr. Rich at Davis Elementary at (706) 657-6300. You can talk to Mrs. DeMarche at Dade Middle School and Mr. Millican at Dade County High School.

Most of my time will be spent at the two elementary schools because they are Title I schools and Title I requires schools to provide many opportunities for parental involvement.
